Reach out to our Speakers Bureau

Written by Janice Strachan

Our district is offering an incentive for those clubs who hold an open house this year. You are excited by this opportunity because an open house will electrify your members. It will also bring in visitors, or as I like to call them, future members. But you need something to really jazz up this event and fill all those chairs.

You need a terrific guest speaker!

I can help you with that. I am the chair of the District 36 Speakers Bureau. We are a team of 30 experienced Toastmasters – contest winners, district leaders, trainers – who can present a dynamic presentation to your members and guests. Just give us a topic or theme, and event details like when and where, and one of our volunteers will be there for your special occasion.

Our team brings a wealth of experience to the Speakers Bureau. We are all experienced, skilled Toastmasters. We have earned at least the Competent Communicator Award (CC). We have experience competing in Toastmaster contests above the club level. We have served as club officers. Plus we have been verified by other Toastmasters.

After reading those qualification, do you think we should have 31 people on the team because you are willing and able to join us? I can help you with that too. The Speakers Bureau welcomes Toastmasters who want to **reach** out to a broader audience, **stretch** their speaking abilities, and **grow** in their communication and leadership skills.

The forms to request a speaker or become a speaker are on the District 36 website at <http://district36.org/speakers-bureau/>. Do you have more questions? I can be reached at Janice.Strachan@aphis.usda.gov.
