

Toni Ward, DTM

Greetings Fellow D36 Toastmasters:

I am excited by the opportunities for personal growth and development as a Division Director.

I think Toastmasters is the best kept secret around, when it comes to communication and leadership. I recommend trying the different roles to spread your leadership wings. You will also develop life-long relationships throughout your journey in Toastmasters.

I am currently serving as Division F's Deputy Director. And I have served as Division E's Area 51 Director in 2018-2019 and awarded Select Distinguished for Outstanding Service. Some of my leader's commitments have lead me to working with different clubs/members and offering words of encouragement in person and through my monthly Newsletters.

I also volunteer my leadership by giving Pathways Training, when needed, resource for Clubs, and assist District 36 with the Twitter account (District36Toast).

With your votes, I will serve District 36 leadership to the best of my abilities.

Spread your Leadership Wings!

"Before you are a leader, success is all about growing yourself. When you become a leader, success is all about growing others."
