

I am running for the position of Division Director to give back and serve the District that has transformed me personally and professionally, and which continues to polish and inspire me to reach new heights in my Toastmasters' journey!

I have the experience to successfully fulfill this role. I currently serve as Division E Assistant Director, and I have served District 36 as Area Director, Club Coach, and TLI Instructor.

As Division Director, my goal is to ensure that clubs fulfill their responsibilities to their members. With compassion and empathy I will provide support, motivation and guidance to help Area Directors succeed in their roles. My vision is to foster the culture of "Together We Can" through leadership, integrity, service and respect.

Ultimately I want to see all of you further your path in the Toastmasters' journey! I, John Ojeifo, humbly and respectfully ask for your vote.
