District Director's LSDES*- #1: The 12 Week Year

August 31, 2021: 7:30 pm (EDT)

Presenter:
Linda Kennedy, DTM
Get more done in 12 weeks than you would in 12 months! District 66 Director 2019-2020, has followed the **12 Week Year** program by Brian P. Moran. She has presented on this topic many times. She is enthusiastic and honored to share this information with District 36 members

Description:
Compare completing a task in 12 months to 12 weeks. In 12 months, you feel you have all the time in the world. At the end of the year, you rush, stress, and become anxious. The task may or may not get completed. The year is over and what do you have to show for it?

A 12 week year is all about execution, commitment and accountability. The 12 week year forces you to make decisions based on priorities..
