## Happy New Toastmasters Year!

It is a good time to reflect on our achievements of the previous Toastmaster year and we look forward to achieving new goals for this year. Be proud of what you have accomplished in 2020-2021, despite the global challenge. We thank Immediate Past District Director, Sandra Coles-Bell, and all members of the 2020-2021 District Executive Committee for their service and leadership.

Let us embrace the new Toastmaster year with a positive outlook and a determined spirit. Review your goals, keep a positive attitude, and be encouraging to others.

For the 2021-2022 year, we invite you to use the **Moments of Truth** assessment to measure how well your club serves its members and welcomes any guests. More information can be found here

Our wish for you is that you go through this new year with confidence and courage. Let your Toastmasters journey continue to soar this year. All district team members will be trained in ways to help you and your club achieve its goals.

We are committed to leading the district and we are eager to help you and the district successfully transition into the future.

- Division C Director: Pam Person
