### **A New Year is here, Are You Ready?**

It's already a week into 2022. Do you make New Year's Resolutions or over the years have you given up the thought of resolutions? As of this writing, there are less than 174 days left in the Toastmasters year. What can you or your club accomplish in 174 days? Can you share your enthusiasm about Toastmasters with someone who is unaware of the benefit of Toastmasters? District 36 will be presenting a Learn About Toastmasters seminar on Thursday, January 13, at 7:30 pm for non-Toastmasters. Let's Finish the Year Strong and share the enthusiasm about Toastmasters with others.

District 36 wishes You a Happy New Year 2022!

### **TLI in Other Districts**

In District 36, we accept training attendance credit from other districts. Besides the local DC metropolitan districts of 18, 27 or 29, we have had many officers attend club officer training at districts around the world during the last two years. It's important that you identify yourself from District 36 with your full club name (no abbreviations) and club number. Please remember that you are a guest in the other district so procedures such as the length of training may be different compared to District 36.

We recently received information about TLI Events hosted by District 26 (which covers CO, WY, NE, and UT) in Region 3. These are interesting formats and you may enjoy attending the trainings.

**Thursday, January 20 afternoon:** Are you a member of a company-sponsored club? Plan on going to the Corporate Workshop.

**Sunday, January 23 afternoon:** Are you a new club officer? Then plan on attending the Fundamentals training.
