

## Agenda Item #13. District Alignment Report

May 1, 2022

Re: Proposed District 36 Alignment of Clubs in Areas for the Toastmasters Year 2022-2023

District 36 is required by Toastmasters International to annually evaluate the placement of Clubs within Areas (groupings of 4-6 Clubs supported by an Area Director) in advance of the July 1 start of the new Toastmasters year.<sup>1</sup>

We have taken numerous steps to transparently gather information and feedback.

- We initially explained the process in a March 13 e-mail to all Club Presidents and VPEs and requested feedback.
- We subsequently discussed the process and possibilities with the District Executive Committee including the Division and Area Directors.
- We produced a formal first draft proposal that would have affected 23 Clubs and we contacted each club officer of those Clubs via e-mail and, if needed, telephone.

Based on their feedback, we adjusted our initial draft proposal. This work has culminated with the attached formal proposal that will be discussed and considered for approval at the [District 36 Business Meeting](#) on May 15, 2022.

Key factors considered in creating this proposal are:

- the Toastmasters requirement that each Area have between four and six active Clubs,
- a general desire to limit the number of Clubs affected by realignment, and
- Club meeting approaches (in person, hybrid or fully virtually), locations and meeting times.

Following this introductory page, the second page lists Clubs that are proposed to be placed in a different Area during the upcoming 2022-2023 Toastmasters year which starts on July 1. Following that page is more detailed information on the proposed composition of Areas for the 2022-2023 Toastmasters year.

To the clubs, we appreciate your time and feedback.

Alignment Committee members:

John Kinsman, DTM, PDD, Chair

Joel Palachuvattil, DTM

Mahesh Patil, DTM, PDG

Sadaf Shehzad, IP2, Area 63 Director
