May 31: The Leader as a Role Model - Leadership Skills Development and Education Series (LSDES)

Did you know, that as a Toastmaster, you have the power to make a difference -- and this difference affects the lives of people you encounter?

Join Toastmaster Dwight Yamada, DTM, Region 7 Advisor and past District 29 Director on May 31, 2022 at 7:30 pm for our next Leadership Skills Development and Education Series (LSDES).

Dwight joined Toastmasters in 2011 and his journey has taken him through all levels of club and District leadership roles. Like many of us, he joined Toastmasters to improve his public speaking and communication skills. He discovered along his journey that the purpose of having speaking skills is to inspire people everywhere to make a difference and change the world to be a better place with our individual contributions no matter how small we may think it is.

As Toastmasters, we are leaders. As a leader, we are role models that influence others to make a difference for the better. It all starts with you, the leader as a role model.
